

Course literature

Master's Thesis in Strategic Urban and Regional Planning Course Code: 709A16
2023

Based on each Master thesis project the literature below will be of varied importance and help, therefore it is up to every student to choose the literature that is useful and apply it to workshop assignments (and thesis). It is therefore not a requirement to read all of the titles listed here. (See also the specific workshop instructions in the Study guide).

Books:

Farthing, S. (2016). *Research Design in Urban Planning: A Student's Guide*. SAGE Publications Ltd.

Gomez, B., & Jones III, J. P. (Eds.). (2010). *Research methods in geography: A critical introduction* (Vol. 6). John Wiley & Sons.

Parsons, T., & Knight, P. G. (2015). *How to do your dissertation in geography and related disciplines*. London: Routledge.

Phillips, R. & Johns, J. (2012) *Fieldwork for Human Geography*. Sage publication Ltd. London

Rae, A., & Wong, C, (Eds) (2021) *Applied Data Analysis for Urban Planning and Management*. Sage.
