Reading List Fall 2025

Most books have been ordered through Bokab in Kårallen on Campus Valla, where students may purchase them. Books can also, of course, be purchased via e.g. Bokus.se or Adlibris.se.

The books and compendia listed under “Course Literature” are compulsory reading, i.e. you need to have them by the start of each course module. “Reference Literature” is recommended extra reading (you are not required to buy/borrow these texts).

Note: the list below is based on the various blocks within English 1. Make sure that you check the course literature for your specific course.
