

## **Welcome to the International Course in Storytelling, 921G20, 7,5 credits, spring 2026!**

**The Course introduction will be the 21st of January, 13.15-16.00 in room KY32 in house Key at campus Valla, Linköping.**

The classes will take place on the following six WEDNESDAYS 13.15-16.00: week 4 (Course introduction) 5, 6, 8, 10 and 12 in KY32.

Apart from me, that you will meet in most classes, you will meet Dominic Kelly who is a British/Irish, professional performance storyteller.

The course is mainly workshop based when we meet in class, so it's very important with a high attendance in the course. Between the classes you are expected to read quite a lot (see the document with the course literature, attached to e-mail) and to prepare different assignments.

It is compulsory to attend the course introduction and roll call. If you by any reason can't attend the course introduction, but want to take the course, it's very important that you send a message to either Irmeli Artursson, the administrator of the course, or to me, Linda Kernell, BEFORE the roll call and course introduction, to be sure to keep your place in the course.

A Study guidance will be delivered at the course introduction.

If you have any questions about the course, please contact me, Linda, [linda.kernell@liu.se](mailto:linda.kernell@liu.se), phone 011-363063 or course administrator: Irmeli: [irmeli.artursson@liu.se](mailto:irmeli.artursson@liu.se), phone: 011-363225

I hope to see you on the 21st of January!

Kind regards, Linda Kernell, Course tutor and responsible for the course
