Reading list for Compiler Construction, TDDB44, 2020

Books

Aho, Alfred V., (2006,2013) *Compilers : principles, techniques, & tools* 2. ed.
Boston : Pearson Addison-Wesley, cop. 2007
ISBN: 0321486811, 9780321491695, 0321491696, 9781292024349
The 2013 edition lacks chapter 12, which is not used in the course, but the content is otherwise identical (including page numbers) although the layout is better in the earlier edition (smaller pages).
