

## Reading list for Cosmology, TFYA71, 2020

### Regularly literature

#### Books

Berry, Michael V., (1989) *Principles of cosmology and gravitation* Bristol :  
Institute of Physics Publ., 1989  
ISBN: 0852740379

#### Other

Complementary material handed out during the course.

### Additional literature

#### Books

Liddle, Andrew, (2015) *An Introduction to Modern Cosmology* 3. ed. Chichester :  
Wiley, 2015  
ISBN: 9781118502099, 1118502094, 9781118502143, 1118502140  
Alternative literature.

Ryden, Barbara Sue, (2017) *Introduction to cosmology* 2. ed. Cambridge :  
Cambridge University Press, 2017  
ISBN: 9781107154834  
Alternative literature.
