and Sciences

**Date determined**

2017-12-19

**Offered for the last time**

Spring semester 2023

**Replaced by**

726G30 och 726G01

## Main field of study

Information Systems

## Course level

First cycle

## Advancement level

G1X

## Course offered for

- Bachelor programme in Information Systems Analysis

## Examination

Students failing an exam covering either the entire course or part of the course twice are entitled to have a new examiner appointed for the reexamination.

Students who have passed an examination may not retake it in order to improve their grades.

## Grades

Three-grade scale, U, G, VG

## Other information

Planning and implementation of a course must take its starting point in the wording of the syllabus. The course evaluation included in each course must therefore take up the question how well the course agrees with the syllabus.

The course is carried out in such a way that both men's and women's experience and knowledge is made visible and developed.

## Department

Institutionen för ekonomisk och industriell utveckling
