Main field of study

Cognitive Science

Course level

First cycle

Advancement level

G₁X

Course offered for

• Bachelor's Programme in Cognitive Science

Specific information

The course is disused. Offered for the last time Autumn semester 2017.

Examination is offered on a total of at least five occasions for each examination component.

These occasions should be distributed across at least two semesters following the final ordinary course instance. These can be found in the course's last course room in Lisam.

Contact the department to access the course room.

Entry requirements

For admission to the course, the specific entry requirements that apply for admission to the Bachelor's Programme in Cognitive Science must be satisfied.

Teaching and working methods

The teaching takes the form of lectures, seminars and laboratory sessions. The student is expected to study independently, individually or in groups.

Examination

The course is examined through a written examination, written assignments and seminars.

Students failing an exam covering either the entire course or part of the course twice are entitled to have a new examiner appointed for the reexamination.

Students who have passed an examination may not retake it in order to improve their grades.

Grades

Three-grade scale, U, G, VG

Other information

Planning and implementation of a course must take its starting point in the wording of the syllabus. The course evaluation included in each course must therefore take up the question how well the course agrees with the syllabus. The course is carried out in such a way that both men's and women's experience and knowledge is made visible and developed.
