The Board for First and Second Cycle  
Programmes at the Faculty of Health  
Sciences

**Date determined**

## Main field of study

Nursing

## Course level

Second cycle

## Advancement level

A1X

## Grades

,

## Other information

The planning and implementation of a course must take its starting point in the wording of the syllabus. The course evaluation included in each course must therefore take up the question how well the course agrees with the syllabus. The course is carried out in such a way that both men's and women's experience and knowledge is made visible and developed.
